

## Dr Magdi Batato (Nestlé)

Dr Magdi Batato est nommé membre individuel ordinaire de la SATW en reconnaissance de ses contributions à l'amélioration des produits alimentaires ainsi qu'à la promotion de la place technologique suisse.

### Curriculum Vitae

Born in 1959 in Egypt, Magdi Batato is Swiss national. He holds a Bachelor's Degree in Mechanical Engineering and a PhD in Thermodynamics from Ecole Polytechnique Fédérale de Lausanne ([EPFL](#)). He completed the Executive Development Program (PED) of [IMD Lausanne](#) and International Manufacturing with [INSEAD](#).

Magdi Batato has worked as Assistant Professor and Lecturer at EPFL and Technicom in Bienne as well as Project Engineer in an engineering consultancy firm in Lausanne ([Bonnard & Gardel](#)), before joining [Nestlé](#) in Switzerland in 1991 as Engineer in Industrial Services, Energy & Environment. His factory and production management experiences took him to Germany, Lebanon and South Africa. In 2004, Magdi Batato was transferred to Malaysia as Executive Director of Production. In 2009, he moved to Nestlé UK & Ireland as Head of Group Technical before taking over the position of Market Head Pakistan in May 2012.

On 1 October 2015 Magdi Batato returned to Vevey upon his appointment as Executive Vice President, Nestlé S.A., and Head of Operations. As such he is responsible for Procurement, Nestrade, Manufacturing, Supply Chain, Engineering, Quality Management, Agriculture, Water Resources, Safety & Health, Environmental Sustainability and Operations Strategies.
